NEARING AN END.
The Great Strike of Colorado Miners May
Soon be Terminated.
Leadville, Col., Jan. 25.—It is probable
that the great strike has been settled. At
a conference of the miners late last night
there was a bolt of the union members
and they resolved to cut loose from the
dictation of leaders and seek work in the
mines. While this does not definitely
settle the strike it is hoped that it may
soon reach that end.

THE USUAL RECESS—AMERICAN
PRISONERS IN CUBA—NOMINA-

ATE—ANOTHER ANNUAL CON-
VENTION NOW IN SESSION AT
WASHINGTON—DISCUSSING A
TREATY.**

Washington, Jan. 25.—The issue of
standard silver dollars from the mints
and treasury offices for the week ended
January 25 was \$256,348, and for the
corresponding period of last year, \$247,-
475. The shipment of silver coin aggre-
gated \$25,877.
Chief Justice Fuller announced to-day
that the supreme court would take the
usual February recess, beginning Mon-
day and ending Monday, March 1. He
also announced that several cases assign-
ed last week to be argued before a full
bench would go over until the reassemb-
ling of court in March. These include
the cases of the interstate commerce com-
mission vs. Alabama Midland and the
Detroit, Grand Haven and Wisconsin rail-
road companies.

The House committee on foreign affairs
to-day ordered a favorable report on the
resolution requesting the Secretary of
State to give the House the present status
of the treaty by which the United States
and Great Britain are restricted from
building or maintaining war vessels on
the great lakes. During the discussion
Mr. Rich, of Michigan, who introduced
the resolution, read a letter written to
Secretary Herbert in 1895, approving the
course of the Navy Department in refus-
ing to consider bids of the Detroit Dry
Dock Company for building warships.
The report in favor of the resolution was
unanimous.

The President sent to the Senate in re-
sponse to a resolution a list of American
citizens who have been arrested in Cuba
since the beginning of the present insur-
rection. The action taken in each case
were seventy-four. Appeals have been
taken in two of these cases from the sen-
tence imposed, those of Sangilly and
Somellin. In the cases of the five Com-
petitor prisoners a new trial has been or-
dered. Seven American newspaper cor-
respondents were also arrested and ban-
ished.

The Senate committee on the judiciary
took no action on the nomination of Wm.
D. Hugh to be district judge for the dis-
trict of Nebraska. The weekly postpone-
ment of consideration is looked on as in-
dication of the committee to leave this
appointment hung up until the end of
the session. The nomination of Chas. B.
Howery, of Mississippi, to be associate
justice of court of claims, and Chas. F.
Armidon to be district judge of the dis-
trict of North Dakota, were ordered to
be favorably reported, with the proviso
that action shall not be taken by the Sen-
ate until Senator George in the one case
and Senator Hansbrough in the other can
be heard from.

The annual convention of American
Masters and Pilots Association is in ses-
sion here to-day. The convention is com-
posed of one delegate from each of the
forty-seven lodges in the country.
The object of the order is to obtain leg-
islation for the benefit of the pilots of the
Atlantic and Pacific oceans, Gulf of Mex-
ico and Great Lakes. The following offi-
cers of the order are in attendance: W. S.
Van Keuren, grand captain; B. F. Per-
kins, grand captain's clerk; Q. S. Dun-
pree, grand first pilot; W. C. Mannus,
grand second pilot; Luther G. Dow, grand
purser.

AUTHOR OF PRETTY LOVE TALES.
Death of "The Duchess" at Her Home in
County Cork.

Dublin, Jan. 25.—Mrs. Hungerford,
the novelist, is dead.
Mrs. Hungerford's literary nom de
plume, "The Duchess," first became
widely known to the readers of light lit-
erature through her novels "Molly Bawn"
and "Phyllis." Pretty tales of the joys
and trials of lovers, told in a light, chat-
tany way, found favor on two continents,
and for many years the novels of "The
Duchess" have sold in many editions.
Mrs. Hungerford lived at St. Brenda's
Bandon, County Cork. She married
when very young, and was early left a
widow, with three small children to care
for. In 1883 she married Henry Hunger-
ford.

A SCHOONER DAMAGED.
Norfolk, Jan. 25.—The tug Ajax, Cap-
tain Cole, arrived in Hampton Roads this
morning having in tow the schooner
Lutie, which is now here for repairs. The
schooner, which was bound from Phila-
delphia to Savannah, laden with coal, en-
countered a terrific gale off the North
Carolina coast, and when between Capes
Lookout and Hatteras the heavy seas and
wind carried away her foretopmast, head-
gear, jibboom and otherwise damaged her.
The Ajax came to her rescue and towed
her to this port.

Bitterly Cold Weather All Over the
Country.

**THE PEOPLE OF THE WESTERN
STATES ARE EXPERIENCING
MUCH SUFFERING ON ACCOUNT
OF THE COLD WAVE—MANY
PEOPLE WERE MORE OR LESS
FROZEN IN CHICAGO—ONLY 31
DEGREES BELOW ZERO AT MIN-
NEAPOLIS.**

Chicago, Jan. 25.—Seventy-six people
have been more or less frozen, according
to police and other reports, since the cold
wave came Sunday night up to 10 o'clock
this morning. From 3 below zero early
on Saturday evening it began to drop
rapidly until 7 this morning, when the
mercury went down to 21 below.

NEW YORK IN ITS GRIP.
Saratoga, N. Y., Jan. 25.—The temper-
atures in northern New York last night
and this morning were the lowest of the
season. Blue Mountain lake reports 30
degrees below zero, North Creek 23 be-
low, Warrenburg 20 below, Lake Lonely
15 below and Saratoga from 5 to 10 be-
low.

31 DEGREES BELOW.
Minneapolis, Minn., Jan. 25.—The cold
wave shows no signs of abatement. The
mercury registered 31 below here this
morning. The indications are for con-
tinued cold.

DESERTING NATURAL GAS.
Indianapolis, Ind., Jan. 25.—At 7
o'clock this morning the temperature in
this city was 14 below zero, the severest
since January 1884. There is much
suffering throughout the city by reason
of weak natural gas pressure and there
has been a rush for other kinds of fuel.
A cutting wind is blowing from the West.

HAS A WIDE RANGE.
St. Louis, Jan. 25.—Cold wave con-
tinues. Reports show that the cold wave
extends south to Texas and west to the
Rocky Mountains.

COLD IN MISSISSIPPI.
Jackson, Miss., Jan. 25.—There was a
drop of 38 degrees in the temperature
here last night. The thermometer was
40 degrees and to-day stands at 22 degrees
above. Some sleet and snow has fallen.

UP IN CANADA.
Quebec, Jan. 25.—The mercury here
this morning touched 24 degrees below
zero.

FURIOUS AT CINCINNATI.
Cincinnati, Jan. 25.—The cold wave
struck Cincinnati in all its fury Saturday
night and the thermometer fell steadily
until it reached 9 degrees below zero at 5
o'clock this morning. There is much
suffering among the poor in the suburbs.
Adams Feiss, aged 15, of Dunlap street,
was the first victim of cold weather. He
was brought to the hospital this morning
with both hands frozen. At 10 a. m. it
was 2 degrees below zero.

COLDEST ON RECORD.
Detroit, Mich., Jan. 25.—Detroit ex-
perienced the coldest weather in twenty-two
years last night and this morning and
the coldest January weather on record.
At 8 o'clock the mercury stood at 15 de-
grees below and at noon it had not risen
much. Reports from the State show that
the freeze-up is general, ranging from 10
to 32 degrees below.

6,000 MEN THROWN OUT.
Another Evidence of the McKinley Pros-
perity Sweeping the Country.

Milwaukee, Jan. 25.—Six thousand men
were thrown out of work at the Bayview
works of the Illinois Steel Company by
the closing down of the top and bottom
mills and stopping of the fish plate mill
and the old steel plate mill. No reason
is given for the shut down by the mill
officials.

The action of the company in closing
down these establishments is that not
only are non-union men employed there,
but also a large number of members of
the union, and some of the latter look
upon it as an attempt to force them to
make a voluntary offer to submit to the
rescinding of their present contract with
the company, which will not expire until
July, in order to assure themselves of re-
employment.

Berlin, June 23, 1890.

Gentlemen:
The Behr Bros. piano is indeed a mas-
terpiece. It answers every requirement
in regard to tone and touch, as can be ex-
pected of any instrument. In the mat-
ter of touch it exceeds one's expectations.
The delicacy, and especially the lightness,
of the touch, are positively astounding.
Wishing the firm of Behr Bros. & Co. the
utmost success, which they deserve, I re-
main with great regard and esteem,
Yours truly,
XAVER SCHARWENKA.

NAVAL MOVEMENTS.
Washington, Jan. 25.—The cruiser
Boston left Nagasaki for Chemulpo, Ko-
rea, to-day. The "Yorktown" arrived at
Shanghai and the Montgomery has reach-
ed the rendezvous at Hampton Roads.

A BIG CARGO.
Savannah, Ga., Jan. 25.—The British
ship Uphemia, Capt. Kinney, cleared to-
day for Santos, Brazil, with 1,025,977 feet
of pitch pine lumber. This is the largest
cargo of the kind ever shipped from Sa-
vannah to a foreign port. The vessel will
go to sea drawing twenty-three feet, the
deepest draught of any vessel ever leav-
ing this port.

VOR OF AN IMMEDIATE DECLAR-
ATION OF BELLIGERENCY,

COMMERCE.**

Washington, Jan. 25.—The condition
of affairs in connection with the choice of
a Senator from the State of Delaware was
called to the attention of the Senate to-
day by Mr. Burrows, of Michigan, who
presented a paper signed by three Presi-
dential electors for that State, in which
it is asserted that there was an illegal
and fraudulent election.

He also presented a paper signed by the
speaker of the Senate and House, assert-
ing that the legislature elected by the
people were ejected from the house and
the functions of the legislature were
usurped by a corrupt body of illegally
elected members.

Mr. Chandler announced his intention
to suggest to the Senate whether some
method cannot be fixed "to prevent the
wholesale larceny of Senatorships in va-
rious States."

A resolution was offered by Mr. Pettigrew
and was referred to the committee
on contingent expenses, for a selection of
a committee to inquire into the issue of
land patents to the Pacific railroads and
as to the diversion from the gross earnings
of the subsidies paid by the companies
to the Pacific Mail Steamship Company;
and notice was given by Mr. Gear, chair-
man of the Pacific railroad committee,
that after the Nicaragua bill was out of
the way he would ask that the Pacific
railroad bill be next considered.

A bill providing that no person shall
be tried in a United States court for acts
in aid of representatives of Cuba was pre-
sented by Mr. Chandler and was referred
to the judiciary committee, and in pur-
suance of previous notice Mr. Turpie ad-
dressed the Senate in a long constitu-
tional argument to prove that the pri-
mary and paramount power to recognize
a new State is vested not in the Presi-
dent of the United States, but in Con-
gress, under the clause of the constitution
which declares Congress shall have
power to regulate commerce; that is, ac-
cording to Mr. Turpie, intercourse with
foreign States. He spoke for two hours
and a half and had not concluded when
the hour for eulogies of Ex-Speaker Crisp
arrived. He indulged in vituperation of
Capt. General Weyler as "an indescriba-
ble diminutive reptile, as a man who used
his sword against women and children,"
and who met his enemy with paper pel-
lets and proclamations.

Mr. Turpie favored an immediate decla-
ration of belligerency, soon to be fol-
lowed by the issuance of letters of mar-
que and reprisal and the appearance of pri-
vateers, militia of the seas, that would
sweep Spanish commerce from the ocean.
Mr. Turpie will continue his speech to-
morrow.

The eulogies on Ex-Speaker Crisp were
delivered by Senators Gordon, Mills, Car-
ter, Daniel and Bacon.

The Senate then at 4:30 adjourned until
to-morrow.
IN THE HOUSE.
Washington, Jan. 25.—The House be-
gan business to-day by passing, on motion
of Mr. Sayers, the Senate bill to provide
for an examination and survey of a water
route from the mouth of the jeties at the
city of Galveston, Tex., to the ship canal
and up Buffalo Bayou to the city of Hous-
ton.

Following this action, the House dis-
posed of a lot of miscellaneous business
and toward the close of the session hur-
ried up the consideration of the Indian
appropriation bill.

After disposing of about a quarter of
the text of the bill, which includes eighty
printed pages, the House at 5:10 o'clock
adjourned.

The conference report upon the immi-
gration bill was presented by Mr. Dan-
ford, of Ohio, who gave notice he would
ask the House to take it up Wednesday
and dispose of it.

THE EXTRA SESSION.
Philadelphia, Jan. 25.—Unless he
should change his mind, Mr. McKinley
will call an extra session of Congress for
Monday, March 25. This information
was given to Congressman-elect J. C.
Sturdevant, of Crawford, by Major Mc-
Kinley in Canton a few days ago.

THE LAW CONSTITUTIONAL.
Washington, Jan. 25.—That part of
the shipping law of the United States which
authorizes the arrest of sailors who refuse
to observe the terms of their contracts to

by the supreme court to be constitutional
and within the jurisdiction of State
courts.

**THE MAYOR OF CHICAGO ISSUES
A PROCLAMATION CALLING ON
THE CITIZENS FOR HELP FOR
THE SUFFERING POOR—THOU-

NEED OF FOOD AND CLOTHING—
THE POLICE STATIONS OVER-
FLOWING.**

Chicago, Jan. 25.—The people of Chi-
cago have been aroused to the great need
of charity and generosity to alleviate in
some measure the intense suffering of
the two score thousand destitute poor of
this city.

Mayor Swift has issued a proclamation
this afternoon, appealing in urgent lan-
guage to all citizens who have the means
to spare to contribute at once money and
supplies to prevent the starvation and
freezing of unfortunate thousands. He
urges the subscription of \$100,000 as be-
ing none too much to afford the help
needed. The funds of the charity or-
ganizations have become depleted owing to
the extra demands made upon them even
during the mild weather which has pre-
vailed here until a few days ago. The
Chicago Relief and Aid Society was com-
pelled to make a special appeal for money
last week to carry on its work, because of
large number of heads and supporters of
families who are unemployed.

Before the mayor's proclamation was
issued contributions to the special fund
came pouring into the office in currency
and checks, while various offers of pro-
visions, clothing, coal and wood were re-
ceived on a liberal scale. The board of
trade and other organizations started to
raise relief funds and the churches and
Salvation Army began making system-
atic and extensive arrangements to help
the charitable work along their special
lines.

Soup houses and shelters will be estab-
lished and maintained as long as necessary.

A plan which the mayor and Chief of
Police Badenoch have agreed upon at a
conference to-day was immediately put
into effect. The city will buy with the
special fund, food, fuel and distribute
them on demand throughout the agency
of the police department. This relief is
to be afforded without the usual investi-
gation until the regular charitable organi-
zations are able to take up the work.
All police stations have been thrown open
and to-night every one was crowded.

The mayor's proclamation is the first
one of the kind to be issued in many
years. The worst and most numerous
cases of suffering were reported from
South Chicago, where thousands of men
have been laid off at the steel mills and
other establishments.

THE SENTENCE MODIFIED.
Washington, Jan. 25.—Inspector Cole-
man, who was recently tried by court-mar-
tial at Washington for culpable in-
efficiency and disobedience of orders while
acting as naval steel inspector at Harris-
burg was found guilty and sentenced to a
year's suspension with the loss of twelve
numbers. Secretary Herbert has remitted
the suspension. He said it had the effect
of giving Coleman a year's leave of ab-
sence and ordered him to be reduced six
numbers with restoration to duty.

TO FIGHT THE PLAGUE.
Cairo, Jan. 25.—An Egyptian com-
mittee, appointed for the purpose, has started
on a tour of the various Red Sea ports to
arrange precautionary measures against
the bubonic plague which is raging in
Bombay and other parts of India.

WILL VISIT BERLIN.
St. Petersburg, Jan. 25.—Count Mura-

German capital several days. The object
of this visit is not made public.

Russellville, Ky., Jan. 25.—The busi-
ness houses of Johnson & Mansfield, C.
Lynch, P. Andrews and Chas. Johnson
were destroyed by fire to-day. Loss is
\$75,000, insurance not known.

A COSTLY FIRE.
Chicago, Jan. 25.—The residence of
Chas. J. Barnes, 2238 Calumet avenue,
was totally destroyed by fire at 2 o'clock
this morning. His private library, one
of the finest in the country, and collection
of bric a brac on which a high value
is set, were destroyed and with the dam-
age to the building and furnishings will
make the loss fully \$200,000, fully covered
by insurance. The origin of the fire is
attributed to a crossed electric wire in the
basement.

A "BUSTED" BANK.
Gouverneur, N. Y., Jan. 25.—The Na-
tional Bank at Potsdam closed its doors
at 3 o'clock this evening. There was no
run, but one would have occurred had
the bank not closed. The officials of the bank
state that the depositors will be paid in
full.

EX-QUEEN.**

Liliuokalani Called on the Presi-
dent Yesterday.

**SHE REQUESTED MR. CLEVELAND
TO RECEIVE HER INFORMALLY,
AND THE TWO NOTABLES SPENT
A PLEASANT QUARTER OF AN
HOUR AT THE WHITE HOUSE—
TWELVE YEARS AGO SHE WAS
RECEIVED AT WASHINGTON BY
MR. CLEVELAND.**

Washington, Jan. 25.—Ex-Queen Liliu-
okalani paid a personal visit to President
Cleveland yesterday. It was entirely in-
formal and was so designated in a note
sent in by the deposed monarch to the
President, requesting the privilege of
calling, and the answer granting it.
Helelule, the agent and secretary of the
ex-queen, and Julius N. Palmer, of Bos-
ton, the American friend who accompa-
nies her to Washington, went to the
White House this morning with a note
from the ex-queen addressed to the Presi-
dent, requesting him to receive her in-
formally, basing the request on the
ground that it was a custom in her coun-
try to so receive visitors of distinction.
She received an answer appointing 3
o'clock as the hour he would receive her
call.

At the appointed time the ex-queen,
Miss Kia Nuholele, her companion in
waiting, Mr. Helelule and Mr. Park drove
to the White House in a carriage and
were immediately shown to the blue
room. The greeting between the Presi-
dent and the former queen was extremely
cordial. The call lasted about fifteen
minutes and after bidding the President
adieu the party went out in the freezing
atmosphere and entered their carriages.
The Queen was received delightfully,"
said Mr. Palmer. "Her reception could
not have been pleasanter and the Presi-
dent showed himself to be a most agree-
able and kindly gentleman."

Mr. Palmer said no plans had been
made for Liliuokalani's future move-
ments. He did not know how long she
would remain in Washington.

This is the second time Liliuokalani
has seen President Cleveland. Twelve
years ago she accompanied the then
queen, Kapiolani, here sister-in-law and
the consort of King Kalakaua, on a visit
to the United States. They were received
officially by Mr. Cleveland, then serving
his first term, and were shown many of-
ficial court-sides while here.

KILLED BY A NEGRO.
Terre Haute, Ind., Jan. 25.—Policeman
Bishop shot and killed a fellow officer
named Roth last night. The man quar-
reled while eating supper and went out
in the street to fight. Both drew their

weapon, the hammer of which fell on his
finger. Bishop then shot Roth, killing
him almost instantly. Bishop is a negro
and claims the quarrel was due to Roth's
provocation.

POWER PLANT DESTROYED.
Joliet, Ill., Jan. 25.—The Joliet power
and light plant was destroyed by fire;
loss estimated at \$75,000. The fire was
caused by an overheated stove in the
office. A number of factories which de-
pend on this company for motive power
will be obliged to close down.
